

It took approximately 75 workers Saturday to keep track of the 359 entrants in the YMCA's triathlon, which included a 1/4-mile swim, 15-mile bike race and three-mile run. A number of residents turned on their hoses during the latter event, including Jody Brill, pictured spraying runners in front of her Jefferson Street residence. Twenty-six year-old Greg Holverson was the first finisher, in 1:08:18. Julie Kubsch topped the female finishers, in 1:19:13. More results appear in *sports results* on Page 4.
